- f) The Club shall use the match presentation (announcer) up to 30 minutes prior to the start of the football match.

Section Three

Competition Format

Article (5)

All First Division teams shall participate in the Olympic League Competition.

Article (6)

The Competition matches shall be played according to the league (round-Robin) system of two legs.

Article (7)

In accordance with the League system, 3 points shall be awarded for a win, 1 point for a draw and 0 points for a loss.

Article (8)

The clubs participating in the Competition shall be ranked on the basis of the points accumulated by each participating team from all League matches played as follows:

- a) The team with the greater number of points in League matches shall win Reserve League.
- b) In the event that two teams or more accumulate an equal number of points competing for the first place, the following criteria shall be used successively to break the tie:
 1. The goal difference based on goals scored in the concerned teams matches (direct encounters).
 2. The goal difference based on all matches played.
 3. The greater number of goals scored in all matches played.
 4. Total number of wins in all Competition games.
 5. Play-off match.

- c) In the event that two teams or more accumulate an equal number of points in all other cases, the following criteria shall be used successively to break the tie:
 - 1) The goal difference based on all matches played.
 - 2) The total number of wins scored in all Competition matches played.
 - 3) The goal difference based on goals scored in the concerned teams matches (direct encounters).
 - 4) The total number of wins in all Competition games.
 - 5) The least yellow and red cards received (1 point for a single yellow card, 3 points for a direct or indirect red card. In the case of a direct red card as a result of a yellow card, both shall be counted as 4 points).
 - 6) The toss of a coin.

Section Four

Procedures regarding Organizing Competitions

Article (9)

The Competition Management will use the following countdown schedule for all competition games:

Time before kick-off	Procedures
120 minutes	Arrival of the General Coordinator Completion of security check and inspections/ Opening of stadium gates
90 minutes	Arrival of the Match Commissioner in the field
90 minutes	Arrival of referees Arrival of the two teams Submission of the start list by the two teams Visit of the Match Commissioner and the fourth referee to the dressing rooms
60 minutes	Submission of final team sheet, signed by the coach and team manager, to the Match Commissioner Distribution of the start list
55 minutes	Watering pitch if necessary
50 minutes	Player warm up
15 minutes	Completion of player warm up and return to dressing rooms The pitch may be watered if necessary
14 minutes	Announcing the start list Ensuring flags and ball boys are available
07 minutes	Arrival of the substitutes and officials to the reserve bench
06 minutes	Inspection of players' kits by referees

03 minutes	Commencement of the opening ceremony, including players lining up in front of the VIP Tribune, players shaking hands with counterparts from the competing team, shaking hands with the referees
0 minutes	Match kicks-off
+50 minutes	The grass may be watered if necessary
The half-time interval shall last for fifteen (15) minutes only following the whistle announcing the end of the first half.	

Article (10)

The Match Commissioner shall be responsible for the preparation of the Match List after receiving the Team Sheets of the two competing teams from the concerned official.

Article (11)

Following a site visit to the home and away teams' dressing rooms, the fourth official shall ensure the names are correct.

Article (12)

The Match List shall include the names of the 11 starting players, the goalkeeper, the team captain, the substitutes, the coach and the team administrator who are allowed to sit on the substitutes' bench for each of the two competing teams.

Article (13)

The list of names of players taking part in a Competition game may be altered after submission of names and prior to the game. In such a case, the following conditions must be observed:

- a) In the event one of the eleven (11) players registered in a Match List is unable to participate for any reason, the player may be replaced by one of the substitutes. Adding the name of a new player to the list of substitute players shall not be permitted to the list. The substituted player is permitted to stay on the team bench.
- b) In the event a substitute player is unable to participate for any reason, he may not be replaced by a player registered in his Team's Sheet approved by QFA, except if the goalkeeper is the player who is incapable of playing.

- c) It is possible to delete and change any player from the starting list of the match after it has been confirmed by the team official before the time specified in the countdown for its delivery or confirmation in the electronic system (Comet), and this is by virtue of a written letter that includes the timing of the change request. The eliminated player cannot be re-registered in the match list.
- d) In the event the player whose unable to participate is the main or substitute goalkeeper, he may be replaced by another goalkeeper registered in his Team's Sheet approved by QFA.
- e) No player can be added after the completion of the final list, according to the time specified in the match countdown, except for the goalkeeper.

Article (14)

Fifteen (15) minutes after the match, a report shall be submitted comprising any misconduct or other incident that occurred at and during the match.

Article (15)

Since any player registered in his club's records has the right to play in the same time period between the Olympic team competitions and the first team competitions for first division clubs, provided that the condition of the number of resident players allowed in each match and the time period separating the two matches is taken into account, he is subject to the following:

- a) A maximum of (4) resident players are eligible to participate in the starting list for the Olympic team competitions.

- b) A player who participates in one half or less with his team in the Olympic team competition is eligible to participate in his team's next match in the first division team competition.
- c) A player who participates more than one half with his team in the Olympic team competition is not eligible to participate in his team's next match in the first division team competition unless the interval between the two matches reaches two days, including the match day.

Example: If the player participated in a match on Saturday, then the next match he is eligible to participate in will be on Monday.

- d) The players mentioned below are eligible to be utilized and participate, taking into account the condition of the number of resident and foreign players allowed in each match and the time period between the two matches, as follows:
 1. Open utilization is permitted for players born in 2001-2002 (Qatari - Resident - Foreigner) who are registered with the first team list to participate in the matches of the Olympic team competitions, provided that the condition of the number of resident and foreign players allowed in each match and the time period between the two matches (up to two days, including the match day are taken into account).
 2. It is allowed to utilize a maximum of (3) players over the age of 23 years (Qatari - Resident - Foreigner) who are registered in the first team list to participate in the matches of the Olympic team competitions, provided that the condition of the number of resident and foreign players allowed in each match and the time period between the

two matches (up to two days, including the day of the match) are taken into account.

3. Utilizing maximum 3 Age Category players (under 19) Qatari – Resident to participate in the Olympic team competitions, subject to the provision regarding the number of resident and foreign players in each match and the time period between the two matches.
4. In case an Age Category player (under 19) has actually participated in a Olympic team competition match (fielded-substitute), a period of two days, including the day of the first match, must elapse before the player can participate in any other match in any other category.

Example: If the player participated in a match on Saturday, then the next match he is eligible to participate in will be on Monday.

5. The participation of any age category player (under 19) in all First Division competitions, Olympic team competitions and same Age Category competitions shall not exceed six (6) actual during the same calendar month.
6. The participation of any Age Category player (under 19) in one half-match or less in any match played by his team shall not be considered an actual participation.
7. The participation of any Age Category player (under 19) in more than one half-match in any match played by his team shall be considered an actual participation.
8. If a player of the age category (under 17) is required to participate in the Olympic League competition an application should be in place to promote the player to under 19 age category.

Section Five

Technical Terms

Technical Rules for the Competitions

Article (16)

- a) All Competition matches shall be played in accord with the Laws of the Game as issued by FIFA.
- b) In case there is any divergence in the conceptualization or interpretation of any article of the Law of the Game, the English text is authoritative.
- c) Each team shall consist of eleven (11) players, including the goalkeeper.
- d) A match may start if either team consists of seven players, including the goalkeeper.
- e) Up to a maximum of five substitutes may be used in any match played in an official competition, provided to perform the five substitutions during three stoppages during the match, noting that halftime is not included among the three stoppages.
- f) Each club is permitted to use an additional substitution (sixth substitution) when the match reaches extra time (regardless of the fact that the team has used the maximum number of substitutions allowed). In the event the team didn't use the maximum number of substitutions allowed, the team may use them during the extra time.
- g) The implementation of the cooling break system by stopping the match for one minute during each half, in the 30th and 75th minutes, in coordination between the referee and the match commissioner.
- h) The number of substitute players who are registered and seated in the reserve bench must not exceed twelve (12) players.

- i) A player may not participate in any official competition organized under the auspices of QFA unless a personal registration form is submitted to the referee.

Article (17)

- a) The match officially lasts 90 minutes, split into two 45-minute halves with a half-time break of 15 minutes.
- b) The two competing teams shall enter the field together after the half-time break.
- c) An extra 30 minutes shall, if applicable, be split into two fifteen (15) minute halves, with a five (5) minute interval between the normal playing time and the extra time. No break shall be given between the two halves of extra time.

Article (18)

The field pitch must meet international standards, in accordance with the requirements outlined in the Law of the Game.

Article (19)

The field pitch must be prepared in accordance with the requirements that guarantee player safety.

Article (20)

Prior to the start of the game, the Match Commissioner or his deputy shall ensure the field pitch meets all the requirements specified in the Law of the Game. In the event the field pitch does not meet these requirements, the Match Commissioner may ask the management of the home club to conduct the necessary alterations. If the home club is not able to make the alterations within the time specified before the game starts, a report may be submitted to the Disciplinary Committee.

Article (21)

Watering and cutting the football turf pitch must be approved by the head referee and the Match Commissioner, in accordance with the FIFA Regulations, with the provision that the cutting of the football turf must satisfy the requirement that the length of the turf is 20 to 22 millimeters.

Article (22)

A reserve bench shall be Reserve for administrative and technical and the substitute players. The bench shall be located to the left of the home team and to the right of the away team. In the event the football match is played on neutral soil, the left side shall be Reserve for the team that appears first on the match schedule.

Article (23)

A technical area shall be situated in front of each reserve bench and the two technical areas will be at the same distance from the midpoint of the pitch.

Article (24)

The substitutes bench shall consist of at least sixteen (16) comfortable seats allocated to the administrative and technical staff and substitute players.

Article (25)

The two teams shall enter the pitch from behind the Fair Play Flag with the home team to the left of the flag and the guest team to the right.

Article (26)

The colors of the uniforms worn by administrative and technical staff and substitute players must be clearly distinguishable from the colors of official players and referees.

Article (27)

The two competing teams shall be allowed to warm up in the pitch prior to the start of the match if the weather conditions permit and at the discretion of the Match Commissioner. A team may not warm up if the technical officials see otherwise.

Article (28)

Warm-up areas shall be designated for each team's substitute players at and during the match. The warm up area will be situated near the team's reserve bench. Except for the goalkeeper, the players will not be allowed to use a ball.

Article (29)

The fourth referee is entitled to ask the players to return to the substitute bench if actual warm up does not take place.

Article (30)

No more than two technical officials shall oversee the warm up.

Article (31)

Specific balls shall be approved for use in all Competition matches in coordination with the approved company.

Article (32)

The ball or balls to be used in all official matches shall comply with the requirements outlined the Laws of the Game.

Article (33)

At and during all official matches, ten (10) balls shall be available for use in each approved stadium prior to the start of the game.

Article (34)

A sufficient number of balls approved by QFA shall be made available for use in trainings to each club participating in the Competition prior to the start of the season.

Article (35)

Balls that are not approved may not be used in warm up or official Competition matches.

Article (36)

To get the required approval, the clubs participating in the Competition shall identify their official stadiums at least thirty (30) days prior to the start of the competition, provided the stadium complies with the terms and conditions specified by the Competition management. In the event a stadium is not identified, the Competition management reserves the right to determine the stadium it deems appropriate.

Article (37)

The Competition management shall receive the stadium at 8:00 a.m. the day the match is scheduled for in order to start necessary arrangements.

Section Six

Players' Equipment

► Colors

Article (38)

Each club shall choose the main color of its team's uniform and a reserve color, in addition to a third color.

Article (39)

The club must wear the uniform approved at the technical meeting throughout the match, provided all the kit items carry the same trademark.

Article (40)

Each club shall bring two colors to the stadium, a first-choice color and a reserve color, prior to the Competition game.

Article (41)

The national flag of Qatar shall not be stitched or printed on the shirts used by any team participating in the Competition.

Article (42)

Players may not wear uniforms composed of more than three (3) different colors. This rule does not apply to numbers and letters.

Article (43)

In case three (3) color uniforms are used, one of these colors must be the main color and other two secondary colors.

Article (44)

A fourth color may be used to adorn letters and numbers printed on the uniforms provided its does not take much space.

Article (45)

The main color must be clearly predominant on the front and back of the shirt.

Article (46)

Players' names must be printed on the backside of the shirt in a color that is different from that approved for the team.

Article (47)

Players' names must appear on the upper part of the back of the shirt used. The names may be moved to the lower part in the event of an agreement with a sponsor.

Article (48)

The colors of the uniforms worn by each team's main and substitute goalkeepers must be identical, but clearly distinguishable from the colors of the two teams' players and the referees.

Article (49)

The colors of the uniforms worn by the outfield players must be clearly distinguishable from the colors of the two teams' players and the referees.

Article (50)

Sticker bands placed on the socks in colors that are clearly distinguishable must not be worn.

► Numbers

Article (51)

The uniforms worn by each team's players must be numbered in consistency with the numbers designated for each player in the club's Team Sheet approved by QFA for the same season.

Article (52)

The club may discard or lend the number of an excluded player to another player.

Article (53)

The numbers must appear clearly legible on the back of the shirt, raised 25.5 centimeters high at the center.

Article (54)

The colors of the numbers shall be clearly distinguishable from the colors of the uniforms so that they appear clearly legible from a reasonable distance and on TV screens.

Article (55)

The colors used for numbering shall be the same for all players of the same team and may be adorned with an additional color.

Article (56)

Except for the Club's logo, no promotional material shall be displayed on the numbers.

Article (57)

The number must be a whole number between 1 and 99, taking into consideration the following:

- a) Any higher number shall not be permitted. Number 1 may only be worn by a goalkeeper.
- b) Players registered in the Olympic team category, shall commit to their assigned numbers throughout the season.

Section Seven

Match Officials

► Referees

Article (58)

Referees shall be appointed for each match by the Referees Committee.

Article (59)

Licensed local referees shall officiate the Competition matches. The assistance of referees outside the State of Qatar may be sought if necessary. No club shall be allowed to dispute or request the appointment of a certain referee. All clubs shall comply with the decisions of the Referees Committee.

Article (60)

At the end of each match, the head referee shall submit an official report to the Match Commissioner, the Referees Committee and the officials of the two competing teams.

Article (61)

In the event of exceptional incidents the head referee shall submit an official report on the match to the Refereeing Department within twenty four (24) hours after the end of the match, excluding official holidays.

The report shall include details of the occurring incidents.

Article (62)
